Headteacher Mark Anstiss

Dear Mr Ansorena and Mrs Sainz

David Perez-Perez 10P

Interim reports are being sent out to Y10 parents informing them of their child's progress, however, as David has been with us for only a short time, an Interim report will not be appropriate. I have the following information for you and an indication as to how David is progressing here at FCC.

Mr Bulpett, David's Form Tutor, comments that David is an engaging, popular student who seems to have fitted well into the form group and the school in general. He is always polite, punctual and well-presented. Furthermore, he is well-liked by both students and staff. Certainly, his conversational English seems to be improving and, from the teachers I have spoken to, David seems to apply himself well to tasks he is set and can work effectively with others. He is a delight to have as part of the form group.

Mrs Purcell, our English as an Additional Language Resource Assistant, has provided the following information;

David has made excellent progress in English as a second language. He uses every opportunity to speak English. He has been doing a course for level A1/A2. In the last two weeks he joined additional classes for an upper intermediate group(B1/B2). It is a challenge for him but he is coping very well and contributing a lot to the group discussion. David is focused and clearly wants to learn English. At the start of the school year he was assessed and his level was A1, currently David is operating at level A2 as per Common European Framework for languages.

Please see the descriptors on the following page for your reference and please do not hesitate to contact me should you require any further information.

Yours sincerely
